Notes:

- Only FLAT exterior paint is permitted for the body and trim of the home.
- Lower gloss or satin sheen finishes are permitted for garage door only.
- Residents may paint their homes the existing color even though it may not be on the DVFPs approved paint palette.
- On the smaller square footage homes, it is suggested only two colors be used...one for the body and one for the trim. For the larger square footage homes, up to three colors may be used.
- No body or trim paint should go below the LRV of 20.
